OPERATING PROCEDURES STATEMENT

1. Customer account prominently displays “**Opt Out**” so that employees viewing customer information can readily identify customers opting to restrict use of their CPNI. When calls are received from customers with this preferred treatment, employees ask for customer permission to access account information.
2. NTC uses “opt-out approval” as the method to obtain customer consent to use, disclose, or permit access to the customer’s CPNI. Customers may “opt-out” at any time.
3. Notice regarding customer CPNI rights and NTC’s duty to protect CPNI will be provided to all new and existing customers in the next printed telephone directory issued by NTC. In addition, customers will be notified periodically, by one or more of the means listed: bill stuffers, bill messages, separate mailings, and/or Nemont Today.
4. Employees are trained on the proper use and/or disclosure of CPNI. Additionally procedures are documented and readily available to all employees.
5. Access to CPNI data is limited to employees and/or entities with proper authorization as allowed under Commission rules. All employees and/or entities with such access operate under policies and/or contract requiring nondisclosure of confidential information.
6. All marketing campaigns and materials are reviewed by the CPNI Compliance Officer or a designated representative. This will include any use of CPNI data used in any given marketing effort. The proper safeguards are in place should NTC use CPNI data to target market to customers.
